

ORNAMENTAL ENTRIES MEASUREMENT SHEET

Step 1.

Document the size of your existing door:

☐ 35-3/4" X 79"

☐ 35-3/4" X 95"

☐ 41-3/4" X 95"

☐ 47-3/4" X 95"

Step 2.

Determine the hinge side:

☐ Hinged on the Left

Perspective is from outside of home

Make sure you are standing outside of your home looking at the door to determine hinge side location

☐ Hinged on the Right

Perspective is from outside of home

Make sure you are standing outside of your home looking at the door to determine hinge side location

Step 3.

Hinge Measurements:

#1

Hinge measurement 1

#2

Hinge measurement 2

#3

Hinge measurement 3

#4

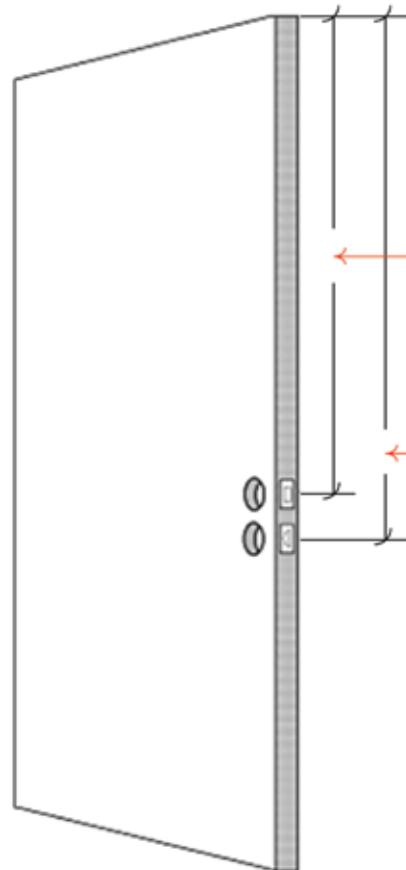

Hinge measurement 4

Doors under 8' tall
typically only have 3 hinges.
If this is the case, leave the
4th hinge box empty

Measure from top of door to top of hinge

Step 4.

Lock and Lever Measurements:

Dead-bolt measurement

Lever measurement

Measure from top of door to center of plungers
